Dear Ms. Taylor:

Subject: STIP Amendment No. 2004.318

Enclosed for your approval is Amendment No. 2004.318 to the Kentucky Statewide Transportation Improvement Program (STIP) for FY 2005-2007. This amendment is for the Transportation Cabinet, Office of Transportation Delivery, to add a project to the Kentucky Public Transit Capital Section 5310 for FY 2007 (see information on attached amendment). We are requesting that the Federal Transit Administration amend the FY 2005-2007 STIP to include this project.

Please be advised, when the planned obligations exceed estimated apportionments by program category, unobligated previous apportionments will be used, or moneys will be transferred between categories, or flexible funding will be used to close the program-specific funding gap.

Upon your approval, please sign the enclosed amendment and return it to Ron Rigney, Division of Program Management, 200 Mero Street, 6th Floor, Frankfort, KY 40601. Mr. Rigney will be responsible for the distribution of the amendment to all holders of the Kentucky STIP. If you have questions or need additional information, please advise.

Sincerely,

A handwritten signature in black ink, appearing to read "Ronald B. Rigney".
